

## Career Development

The depth and range of conflicts facing the world today has significantly deepened the need for knowledgeable, well-trained experts who can work to resolve these problems. Amid the growing effort to provide comprehensive education to nurture the field of conflict resolution, the School for Conflict Analysis and Resolution (S-CAR) stands as a beacon. S-CAR offers tailored career development services for all enrolled S-CAR students. Services include:

### Government Agencies

Presidential Management Fellowship Program  
State Department  
USAID  
Department of Defense  
FBI

### Non-Profits (Domestic and International)

International Rescue Committee
